

Beat the winter blues with Air Partner's top winter sun destinations

- Escape to sunnier climes with Air Partner's top recommendations for the best warm weather escapes

London, UK, 12 December 2018: High-flying sunseekers can make the most of their next holiday with Air Partner's guide to some of the best winter sun hotspots.

High net worth holidaymakers hoping to escape the wintery weather are turning to private jet travel to catch some rays in some of the world's most exclusive destinations and resorts, according to global aviation specialist Air Partner.

Air Partner has recorded a rise in private jet traffic to top winter sun destinations with an increase in demand for travel to South Africa, Morocco and the Maldives. Air Partner expects them to remain the destinations of choice for relaxing in the sun this coming winter season.

Julia Timms, Air Partner Chief Marketing Officer, said: "Whether it's to escape the colder climates or to enjoy some much-needed rest and recreation, Air Partner offers unrivalled access to some of the most remote sunny destinations across the world.

"With private jet travel and sunny retreats going hand in hand, discerning travellers want quicker, flexible and more convenient flights when booking their holidays, making Air Partner's expertise and tailored in-flight experiences more in demand than ever.

"Instead of having to fit in with the immovable schedules of legacy airlines, sunseekers can enjoy specially-tailored flights and bespoke helicopter transfers which provide easy access to the most spectacular resorts around the world."

AIR PARTNER

For travellers willing to travel further for some Vitamin D, Air Partner offers the same ease and flexibility to a range of holidays from top long haul destinations; from exploring Marrakech's lively markets and experiencing Dubai's dramatic deserts, to dancing on the dreamy beaches of Barbados.

For the epitome of luxurious relaxation, travellers need look no further than the Maldives. With aquamarine waters, over-water villas and sea turtles, the Maldives are the perfect way to forget the winter cold. Air Partner flies from the UK starting at 99,000 GBP for a global cabin.

And for the cream of the crop, travellers can visit Canouan Island, where the super-rich leave their daily troubles behind for the unspoilt Grenadines archipelago. Canouan Island features gorgeous green hills and spellbinding beaches as well as the most luxurious accommodations. Air Partner flies from the UK starting at 95,000 GBP for a global cabin.

Long-haul winter sun destinations	Air Partner packages
Barbados	From the UK to Bridgetown starting at £85,000 Global cabin
South Africa	From the UK to Cape Town starting at £130,000 Global cabin
Mexico	From the UK to Puerto Vallarta starting at £125,000 Global cabin
United Arab Emirates	From the UK to Dubai starting at £45,000 Large cabin
Maldives	From the UK to Male starting at £99,000 Global cabin
Morocco	From the UK to Marrakech starting at £22,000 Super Midsize

Private jet travel proves as beneficial for short-haul destinations with significant time savings through quicker check-ins, security, and access to smaller more convenient airports. Air Partner can offer travellers a relaxing weekend and get them back in the office for Monday. JetCard holders can benefit from sunny city breaks closer to home with many European destinations to choose from including;

Winter sun city escapes	Air Partner packages
Madrid	From the UK starting at £12,000 Midsize cabin
Funchal	From the UK starting at £24,000

AIR PARTNER

	Super Midsize cabin
Rome	From the UK starting at £10,000 Light cabin
Faro	From the UK starting at £14,000 Midsize cabin
Florence	From the UK starting at £9,000 Light cabin
Malaga	From the UK starting at £14,000 Midsize cabin
Seville	From the UK starting at £13,500 Midsize cabin

With 24/7 global coverage, no hidden fees, flight hours that never expire and fully-refundable account balances, Air Partner's JetCard is the most flexible private jet membership for the fifth consecutive year running in Europe and the USA, according to Conklin & de Decker, the independent aviation consultancy.

The Air Partner JetCard allows clients to choose from a variety of different jet options including very light, light, midsize, super midsize, large and global cabin private jets or even helicopters and turboprops (under separate arrangements).

Air Partner's highly professional global support team, travel experts and unrivalled JetCard programme also offers clients the ultimate in flexible flying. Bespoke trips can be organised within just 24 hours, enabling clients to cut down their travel time and reach their destination quickly and smoothly.

About Air Partner

Founded in 1961, Air Partner is a global aviation services group that provides worldwide solutions to industry, commerce, governments and private individuals. The Group has two divisions; the Broking division, comprising air charter broking and remarketing; and the Consulting & Training

AIR PARTNER

division, comprising the aviation safety consultancies, Baines Simmons, Clockwork Research and SafeSkys, as well as Air Partner's Emergency Planning Division. For reporting purposes, the Group is structured into four divisions: Commercial Jets, Private Jets, Freight (Broking) and Consulting & Training (Baines Simmons, Clockwork Research, SafeSkys and Air Partner's Emergency Planning Division). The Commercial Jet division charters large airliners to move groups of any size. Air Partner Remarketing, which is within the Commercial Jet division, provides comprehensive remarketing programs for all types of commercial and corporate aircraft to a wide range of international clients. Private Jets offers the Company's unique pre-paid JetCard scheme and on-demand charter. Freight charters aircraft of every size to fly almost any cargo anywhere, at any time. Baines Simmons is a world leader in aviation safety consulting specializing in aviation regulation, compliance and safety management. Clockwork Research is a leading fatigue risk management consultancy.
