

A new partnership forged between Cowdray Park Polo Club and Air Partner

(June 2017) - Cowdray Park Polo Club is delighted to announce a new partnership with Air Partner. With over 50 years' experience, Air Partner is a global aviation services group that provides worldwide solutions to industry, commerce, governments and private individuals.

Air Partner's industry-leading Private Jets division charts aircraft and jets up to 19 seats for a broad range of clients, offering the entire spectrum of services from occasional charter to its award-winning and pre-paid JetCard. This flexible model buys clients 25 hours or more of flying time in their choice of six private jet categories, with guaranteed availability and the freedom to exit at any time. Air Partner also have a dedicated team who specialise in advanced freight requirements.

Partnering with Cowdray Park Polo Club gives Air Partner a platform from which to offer travel support to polo club members to and from destinations all over the world, be it private travel or freight solutions. Air Partner is based at City Place, Gatwick, but flies in and out of every airport globally to get its customers closest to their destination.

Matt Petersen, General Manager, Cowdray Park Polo Club says, *"We are delighted to welcome Air Partner to our growing list of associates. Companies who form affiliations with the polo club must exhibit the highest industry standards and we have absolutely no doubt that Air Partner fulfils this requirement."*

Julia Timms, Group Marketing Director, Air Partner commented, *"We are delighted to be forming a partnership with a polo club as esteemed as Cowdray Park which shares our penchant for offering exceptional experiences. We pride ourselves on putting our clients first and we look forward to sharing our experience and personalised approach to private jet travel with Cowdray Park Polo Club's members and guests."*

Notes to editors

Founded in 1961, Air Partner is a global aviation services group that provides worldwide solutions to industry, commerce, governments and private individuals. The Group has two divisions: Broking division, comprising air charter broking and remarketing; and the Consulting & Training division, comprising the aviation safety consultancies, Baines Simmons and Clockwork Research. For reporting purposes, the Group is structured into four divisions: Commercial Jets, Private Jets, Freight (Broking) and Consulting & Training (Baines Simmons and Clockwork Research). The Commercial Jet division charts large airliners to move groups of any size. Air Partner Remarketing, which is formed within the Commercial Jet division, provides comprehensive remarketing programmes for all types of commercial and corporate aircraft to a wide range of international clients. Private Jets offers the Company's unique pre-paid JetCard scheme and on-demand charter. Freight charts aircraft of every size to fly almost any cargo anywhere, at any time. Baines Simmons is a world leader in aviation safety consulting specialising in aviation regulation, compliance and safety management. Clockwork Research is a leading fatigue risk management consultancy. Air Partner is headquartered alongside Gatwick airport in the UK. Air Partner

operates 24/7 year-round and has 20 offices globally. Air Partner is listed on the London Stock Exchange (AIR) and is ISO 9001:2008 compliant for commercial airline and private jet solutions worldwide. www.airpartner.com
